The worksheet is divided into five vertical columns. The first and fifth columns contain dashed arches for tracing, with an arrow at the bottom of each column pointing to the left. The second column features a grasshopper at the bottom with an arrow pointing left, and seven maple leaves above it. The third column features a frog at the bottom with an arrow pointing left, and seven lily pads above it. The fourth column features a horse at the bottom with an arrow pointing left, and seven 'X' shapes above it, each with arrows indicating the stroke direction.
